

# Doctoral Local Authority Fellowship Scheme: Helping Local Authorities to maximise value from parks

Humera Sultan, Consultant in Public Health, Birmingham City Council (BCC)  
Prof Emma Frew, Primary Supervisor, University of Birmingham (UoB)

 RESET RESHAPE RESTART

# How can Local Authorities use economics evidence and adaptive leadership to inform investment in parks?

## Adaptive Leadership

### WP1

- Analyse (dis)investment across 427 Birmingham parks over 10 years
- Analyse (dis)investment across other competing services

### WP2

- Systematic Review
- Interviews with LAs
  - Birmingham
  - Coventry
  - Walsall
  - Plymouth

### WP3

- Workshops and survey
- Conceptual model
- Inputs, outputs, funding sources, parks vs leisure centres
