

The Process

APSE will work with you in order to best help secure an interim management job, understanding your key skill areas and expertise to match to client requirements. If successful you will receive support and regular communication from the Client Coordination Officer to monitor progress and check both parties are satisfied with arrangements and identify if any other support is required.

If you are interested in registering with APSE, please send your CV, along with your contact details to etaylor@apse.org.uk
