Environmental Social and Corporate Governance Framework

The APSE Approach

Fiona Sutton-Wilson
APSE Head of Training

What is an Environmental Social and Corporate Governance Policy Framework?

How does it apply to the circular economy?

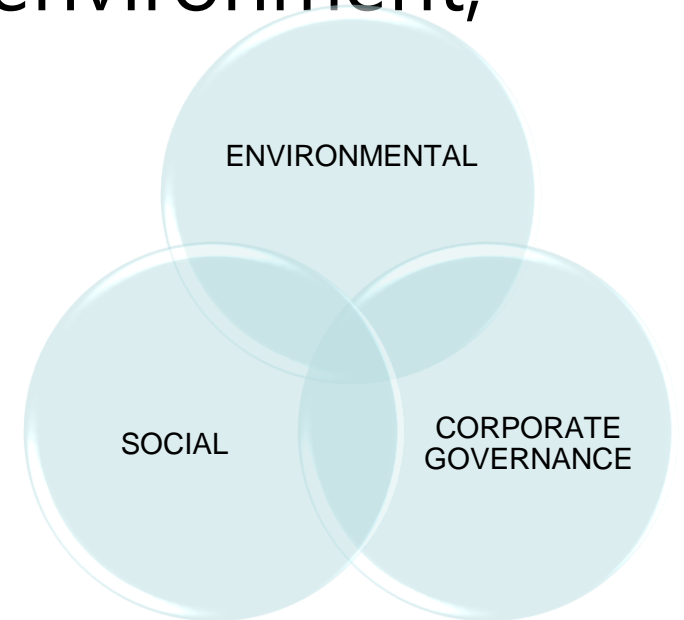

How does APSE aim to deliver its own ESG Framework?

What is an ESG Policy Framework?

'Doing well by doing right'

Managing an organisations **impact** on the environment, society and business governance.

- ✓ Transparency
- ✓ Standardisation
- ✓ Voluntary
- ✓ Sustainability
- ✓ Enabler for reducing energy, water and waste

Why an ESG Framework?

- ✓ 'Doing well by doing right' by all stakeholders.
- ✓ Risks, rewards and actions in relation to environmental, social and governance.
- ✓ Sound principle for APSE's Business Plan 2023-2026.
- ✓ Multi-layered approach reflecting the wider interests of members.
- ✓ Impact on the environment, society and business governance

Environmental

Achieved platinum standard in Carbon Literacy

BUT... more to be done to:

- protect the environment.
- navigate the risks and rewards generated through climate change

THIS IS TO CERTIFY THAT

Association of Public Service Excellence

has met the requirements of the Carbon Literate Organisation Standard, and thus for the purposes of workplace, education and community should be regarded as a Platinum level Carbon Literate Organisation.
