

**APSE Scotland Climate Change and Renewables Network – Tuesday 10 June 2025
10.30 AM to 12.00PM**

Introduction and welcome from our Chair: Cllr Rachel Nunn, Stirling Council

Speakers & Discussion items

Scottish Government's Heat in Buildings Strategy

Speaker: Annie Howden, Heat Strategy Team Leader, Scottish Government

This will provide colleagues with the opportunity to hear from Scottish Government regarding their Heat in Buildings strategy. This will include what this strategy means for local authorities, when Scottish Government will engage with local authorities regarding this, what the funding picture might look like, what the delivery programmes will potentially look like and some of the technologies being discussed.

NESO and its Regional Energy Strategic Planning

Speaker: Fergus Tickell, Regional Energy Strategic Planning Manager, National Energy System Operator (NESO)

This will provide colleagues with the opportunity to hear about NESO's new role to develop Regional Energy Strategy Plans for England, Scotland and Wales. This presentation will look at what this means for Scotland with the plans aiming to help ensure that local areas get the energy infrastructure they need to meet local net zero and growth ambitions.

APSE Update

Louise Melville, Principal Advisor, APSE

About the meeting
