

**APSE Scotland Climate Change and Renewables Network – Tuesday 25 March 2025  
10.30 AM to 12.00PM**

**Introduction and welcome from our Chair: Cllr Rachel Nunn, Stirling Council**

***Speakers & Discussion items***

**Where are we now: Local authority Heat in Buildings**

**Speaker: Cllr Rachel Nunn, Stirling Council**

*Cllr Rachel Nunn will provide a brief overview before we kick off our presentations for this morning's sessions.*

**H100 Fife project**

**Speaker: Ruaridh MacGregor, Senior Communication Manager, SGN**

*This will provide colleagues with the opportunity to hear from SGN regarding the H100 Fife project, which is the first of its kind to directly supply clean power to produce hydrogen gas for domestic heating as a green alternative to natural gas. The presentation will also include information on the evidence it is providing to UK Government and the customer/ community engagement that has taken place.*

**SHIELD and Solar Circle (funded PV)**

**Speaker: Jon Cape, Managing Director, Power Circle projects Ltd**

*This will provide colleagues with the opportunity to hear about both SHIELD and Solar Circle which aims to integrate new approaches, technologies and business models to make the decarbonisation of heat and energy affordable and accessible.*

**Renewables and Energy Efficiency clinic: Any issue affecting service delivery**

*This is the opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue including:*

- Networked ground source heat pump systems
- Power Purchase agreements and schools/local authorities
- Low carbon advertising policy

**APSE Update**

*Louise Melville, Principal Advisor, APSE*

**About the meeting**

Any PowerPoint slides and a link to related briefings and research will be made available to participants after the event.

**The meeting will end at 12.00 PM**
