

APSE Scotland Fleet, Transport and Vehicle Maintenance Network Meeting
Glasgow Vintage Heritage Centre, Bridgeton, Glasgow
Tuesday 25 February 2025 – 11AM to 12.30PM

Please note arrival tea and coffee will be served from 10.30am with the meeting commencing at 11am. Following the end of the meeting lunch will be provided and for those wishing to stay, a tour of the centre etc will be provided.

Discussion items

1. Jamie Dunsmore of Transport Scotland – Local authority update

This will provide Jamie with the opportunity to update local authority colleagues on fleet decarbonisation action plan and how the information within will help to shape the action plan and form part of the narrative for refreshing/ reframing targets. This will also provide colleagues with the opportunity to ask any questions.

2. Update of relevant information from other fleet related forums

This will provide colleagues with the opportunity to share and discuss information from other fleet related forums.

3. Report back from APSE Drug and Alcohol policies roundtable (19 February)

This will provide colleagues with the opportunity to receive a report back from the Drug and Alcohol roundtable as well as sharing and discussion any key points from the day.

4. Pat Taggart of Perth & Kinross Council - HVO update

Pat will provide colleagues with an update on Perth & Kinross' HVO journey. Following this, colleagues will have the opportunity to discuss and share experiences and questions.

5. RCV fires caused by the disposal of e-cigarettes and their batteries

This will provide colleagues with the opportunity to discuss fire risks associated with the disposal of e-cigarettes and their batteries.

6. Utilisation of CCTV within RCVs to help negate claims

This will provide colleagues with the opportunity to discuss and share experiences regarding the above.

7. LGV mechanic recruitment within local authorities and exploring the acceleration through the pay scale bands

This will provide colleagues with the opportunity to discuss and share experiences regarding the above.

8. End of life vehicles – auction of scrap?

This will provide colleagues with the opportunity to discuss and share experiences regarding the above.

APSE Update

Louise Melville, Principal Advisor, APSE

THIS MEETING WILL CLOSE AT 12.30 WITH LUNCH AND TOUR.
