

**APSE Scotland Housing, Construction & Building Maintenance Advisory Group
Online Meeting – Friday 10 May 2024 10.30AM to 12.00PM**

Welcome from Chair: Cllr George Paul, West Lothian Council

Speakers & Discussion items

Scottish Housing Regulator – ARC indicators working group

The APSE Scotland advisory group has been invited to provide a representative to sit on the upcoming SHR ARC indicators advisory group. This will therefore provide the opportunity for colleagues to provide your views on the existing indicators and thoughts on appropriate tenant and resident safety indicators. The representative will then provide the main thoughts and views to input into the discussions.

Speaker: Group discussion

Repairs Management Survey results and discussion

This is an opportunity for colleagues to discuss and share information in relation to their repairs management systems as part of a recent network query survey issued. If you have not already done so, please complete the survey by [clicking here](#) Your responses will help to feed into discussion on the day.

Speaker: Group discussion

Update on Scotland's Building and Housing Officers Process Mapping Group

This will provide the opportunity for colleagues not yet involved in the above officers group, to hear about the upcoming meeting which is scheduled for Thursday 30th May, with the focus on dampness and mould.

Feedback APSE Scotland's Building & Housing Seminar 2024

This is the opportunity for attendees to discuss and provide feedback on the most event held February.

Building & Housing clinic: Any issue affecting service delivery including:

- **Basic pay and bonuses for the repairs and maintenance service**
- **Social housing disrepair claims**

This is the opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue.
