

**APSE Scotland Housing, Construction & Building Maintenance Advisory Group
Online Meeting – Friday 29 August 2025 10.30AM to 12.00PM**

Welcome from Chair: Cllr George Paul, West Lothian Council

Speakers & Discussion items

Scottish Government's Cladding Remediation Programme

This will provide an opportunity for colleagues to discuss and share information on the work being undertaken to review cladding and wall insulation following the Grenfell tragedy. For more information on the cladding Remediation Programme in advance of the meeting please [click here](#)

Speaker: Group discussion

Asbestos: processes and procedures

This is an opportunity for colleagues to discuss and share information in relation to their processes and procedures relating to asbestos with a view to potentially agree to have a building officers process mapping meeting dedicated to this subject.

Speaker: Group discussion

Scottish Housing Regulator: notifiable events – annual report for 2024/25

This will provide the opportunity for colleagues to discuss and share information issued on these events from the SHR. Please note that both of the agenda items above are also included in the Health and Safety section of the notifiable events.

Speaker: Group discussion

Building & Housing clinic: Any issue affecting service delivery including:

- **Percentage of repairs logged as emergencies**
- **Charging management fees to co-owners for repairs**
- **Out of hours repairs service**
- **Transitioning to paperless electrical certificates**

This is the opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue.

Speaker: Group discussion
