Welcome from our Chair – Cllr Ruairi Kelly, Glasgow City Council

Agenda

OxGul-e: Our pilot of chargepoint cable pavement gullies in Oxfordshire

Speaker: Lewis Dixon, Business Development Manager – Highways & Engineering, ODS Group

This will provide an opportunity for colleagues to hear Oxfordshire's journey and learn from their experiences.

On-street residential bollard-style EV chargers

Speaker: Group discussion led by Ryan Robertson, EV Infrastructure and Roads Asset Officer, East Lothian Council

This will provide an opportunity for colleagues to discuss and debate bollard-style EV chargers and find out more about East Lothian's journey.

Scottish Borders Pencil-Bollard traffic calming initiative

Speaker: Philippa Gilhooly, Team Leader – Traffic and Road Safety Management, Scottish Borders Council (inv)

This will provide an opportunity for colleagues to hear from Scottish Borders in relation to their recent traffic calming initiative within the A72 Glasgow Road.

Roads and Street Lighting clinic: Any issue affecting service delivery including:

- Have any local authorities encountered any issues accepting Independent Distribution Network Operators (IDNO) for street lighting in new Construction Consent sites?
- Have any local authorities plans to progress with any street lighting switch offs due to the raising energy costs?
- Benchmarking information for Highways and Drainage services operatives
- Equality of access of the high street by partial or full pedestrianisation
- Participatory budgeting in relation to Roads services

Speaker: Group discussion

This provides an opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue
