

APSE Highways and Street Lighting Advisory Group Meeting – Thursday 5th September 2024 2PM to 3.30PM

Welcome from our Chair – Cllr Ruairi Kelly, Glasgow City Council

Agenda

Current legislation including utility companies permitted works rights

Speaker: Group discussion

This will provide an opportunity for colleagues to discuss and debate the current legislation and whether there is an appetite for APSE to highlight any areas which are felt should be reviewed.

Road Worker consultation (Transport Scotland)

Speaker: Group discussion

This will provide an opportunity for colleagues to discuss and share any information which relates to this live consultation which closes on the 3rd of October.

Highways and Street Lighting clinic: Any issue affecting service delivery including:

- Skidding Resistance – policies and managing declining network performance and skid resistance – Budgets vs Duty of Care
- Commissioner directions on Qualifications for persons working on roads and TM requirements – farmer contractors
- Winter gritting fleet and salt supply
- Electric vehicle charging on adopted highway – private
- Software for roads construction consents
- Street Lighting – failing assets, safety and replacement strategy

Speaker: Group discussion

This provides an opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue.

APSE Update

Speaker: Louise Melville, Principal Advisor, APSE
