

**APSE Highways and Street Lighting Advisory Group Meeting – Friday 27 March 2027 2pm – 3.30PM**

**Welcome from our Chair – Cllr Laura Doherty, Glasgow City Council**

***Agenda***

**Kerbo Charge - sharing experiences from local authority go-lives across the UK and in particular maintenance and liability arrangements best practise post install**

**Speaker: Michael Goulden, Co-founder, Kerbo Charge**

*This will provide the opportunity for colleagues to hear about Kerbo Charge and their gully crossing solution as well as gain insight and information on maintenance and liability arrangements post install.*

**Update on Road Policy and Safety from Transport Scotland**

**Speaker: George Henry, Head of Road Policy and Safety, Transport Scotland (inv)**

*This will provide an opportunity for colleagues to hear from the Head of Road Policy and Safety within Transport Scotland in relation to areas of focus and development for your key services.*

**Update on Electrical areas of focus from Transport Scotland**

**Speaker: Lisa Chiles, Senior Electrical Manager, Transport Scotland (inv)**

*This will provide an opportunity for colleagues to hear from Transport Scotland in relation to areas of focus and development for electrical and street lighting services.*

**Highways and Street Lighting clinic: Any issue affecting service delivery including:**

- Lighting open public spaces
- Car parks being used for events and charging for them
- Road safety preventative interventions

**Speaker: Group discussion**

*This provides an opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue.*

**APSE Update**

**Speaker: Louise Melville, Principal Advisor, APSE**
