

APSE Scotland ONLINE Roads & Street Lighting Advisory Group Meeting

Thursday 3rd September 2020 – 10.30AM to 12.00noon

1. Welcome by the Chair

Speaker: Councillor Frank Anderson, West Lothian Council

2. Robotic and autonomous systems within roads and highways: where will technology take us?

Speaker: Dr Bilal Kaddouh, University of Leeds

3. Group Discussion – Recovery and renewal post COVID-19 lockdown moving services forward

This is the opportunity for attendees to discuss the challenges and solutions that councils are experiencing and adopting and could include:-

- An update from each authority participating
- Re-establishing services
- Any impacts on projects
- Any supply and material issues
- Sharing best practice introduced during this period and being taken forward into the “new norm”

4. Roads & Street Lighting clinic: Any other issues affecting service delivery including

- Ash dieback impacts and conditions surveys

About the meeting

This online meeting will be hosted using Microsoft Teams and those signing up to join the meeting will receive an online joining link. Any PowerPoint slides and associated paperwork will be made available to participants following the event (should these resources be used on the day). The chat function will also be available for participants to use as well as the opportunity to join in this online event through both video and audio facilities.
