

We do trust you are managing to survive and even thrive in the current climate of confusion and misinformation. We now have all our new stock of Handhelds and Backpacks at our 180,000 sq ft Stoke on Trent distribution centre and **HAVE INSTANT AVAILABILITY** of all units on cleared funds. ... **AS AN APSE SPECIAL we will even include a starter pack of TECcare Control chemical worth £115 FOC with each order to get you off to the best possible start ...**

*We'll gladly send a mail that has detailed info on the TECcare Chemical and other general info and advice on electrostatic sprayers/ing and some do's /don'ts....**just ping back and ask***

General status update, we've been promoting and selling these brilliant Electrostatic Sprayers for nearly 3 years and are not surprised that they have now been universally recognised across **ALL SECTORS** as **the new best way to apply chemicals to fight the current crisis and beyond**. They have regularly been featured all over the mainstream media in care facilities and hospitals, Gyms, Hotels and hospitality, every type and mode of transport, all levels and sizes of educational establishments...crèches to Universities, and throughout FM and commercial cleaning environments.....**EVERYWHERE !**

The per unit RRP's of the **HandHelds** is **£999** and the **BackPacks** **£1995** plus £25 UK mainland delivery charge (all prices Ex. VAT) These prices have remained the same since Jan 1st 2019. Please let us know what you would like to do next and our ongoing commitment is to continue to treat our existing and new customers with the honesty, respect and cooperation that this crisis merits and demands.

Do feel free to come back to me personally on paul.johnston@turbostatics.co.uk or for any clarification - <http://www.turbostatics.co.uk/> and any of our dedicated team are available to help at any time.

We can provide excellent virus busting chemicals or are as happy to discuss what you might choose to use in your particular applications. The choice of what you use is always yours and/or your customers.

We wish you all the very best in these challenging times and look forward to playing our part in your future success.
