

# Making the most of your environment and climate training

Amy Caldwell, Senior Training Officer

**Carbon Literate Organisation**  
Platinum

# APSE Training Overview

We deliver TRAINING for frontline staff, supervisors and team leaders

We provide MASTERCLASS courses for managers, leaders and aspiring leaders - or to address specialist or legal issues

Our PUBLIC courses can be booked via the website.

We deliver IN-HOUSE courses, tailored to the bespoke needs of authorities

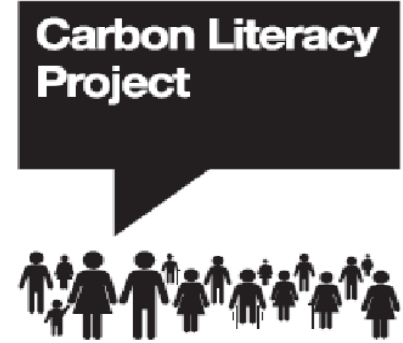

# Carbon Literacy Project

What do you think is our most popular course?

# What is Carbon Literacy?

“An awareness of the carbon costs and impacts of everyday activities and the ability and motivation to reduce emissions, on an individual, community and organisational basis.”

This is to certify that via  
Sample Organisation  
Sample Name

has met all the requirements of the Carbon Literacy Standard and thus for the purposes of workplace, education and community should be regarded as Carbon Literate.

signed

All Abbas, Chair, on behalf of The Carbon Literacy Trust.  
Registered Charity Number 1156722

<b>date</b>	<b>certificate no.</b>
30 <sup>th</sup> March 2014	00000000 / v1.05

certificate

# What challenges do we face?

- Increases in flood risk
- Coastal change
- Damage to buildings and infrastructure
- Increased prevalence of pests and diseases in the natural environment

## Scotland: Setting an Example

- Put up £2 million for the loss and damage fund
- Launched a £55 million Nature Restoration Fund
- Announced proposals to more than double Scotland's onshore wind capacity by 2030
- Committing over £100 million to advancing cleaner energy and make Scotland a leading hydrogen producer.

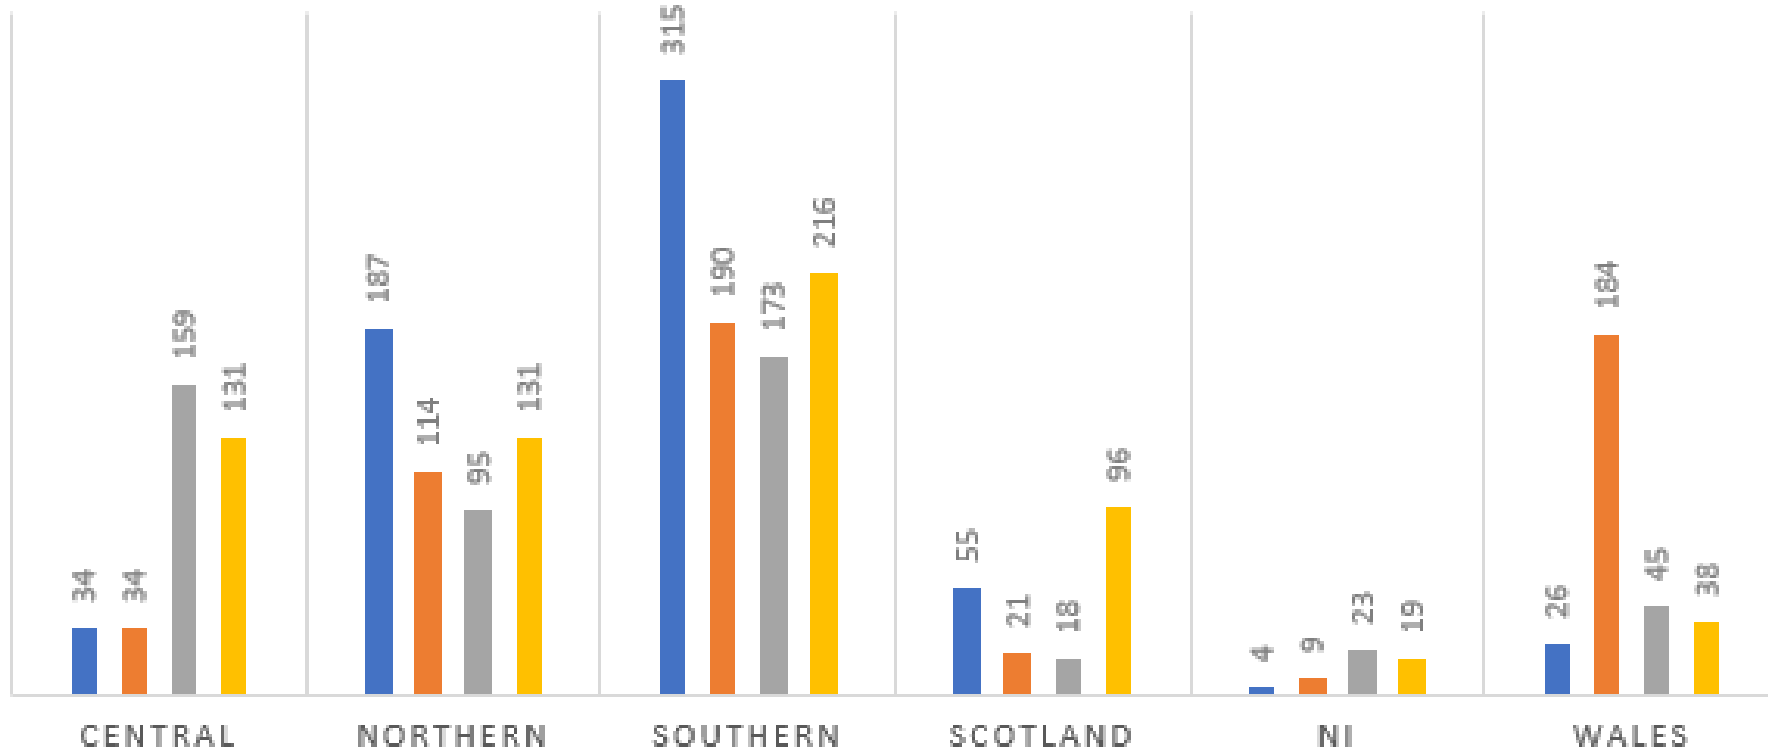

# What We Offer

- [Carbon Literacy for Local Authorities](#)
- [Carbon Literacy for Leaders & Managers](#)
- [Carbon Literacy for Elected Members](#)
- [Carbon Literacy Trainer](#)

## APSE TRAINING REGIONAL LEARNERS/QUARTER

■ Q1 ■ Q2 ■ Q3 ■ Q4

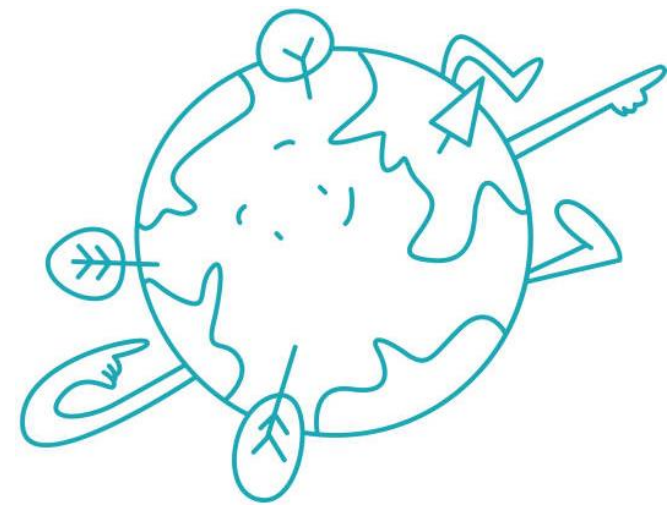

# What have we done so far?

- Delivered five bespoke courses across both authorities
- Specific focus on embedding this issue into decision making
- Accreditation requirements - leading to change

# Preparing for Biodiversity Net Gain

- Previous courses delivered 28.03.23 & 04.05.23
- For parks professionals
- Prepare for BNG legislation
- Gather information, discuss strategies, apply to your setting

*“The focus around the relevance of BNG to parks and green spaces was exactly what I required”*

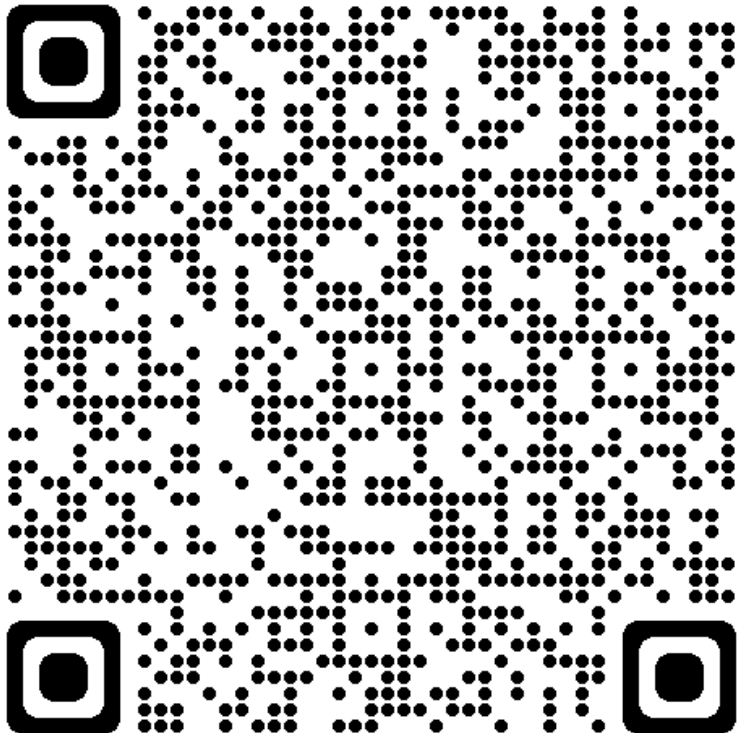

*- Buckinghamshire Council*

*“It’s an excellent introduction to the role and involvement that parks staff are likely to have in BNG once the legislation becomes law”*

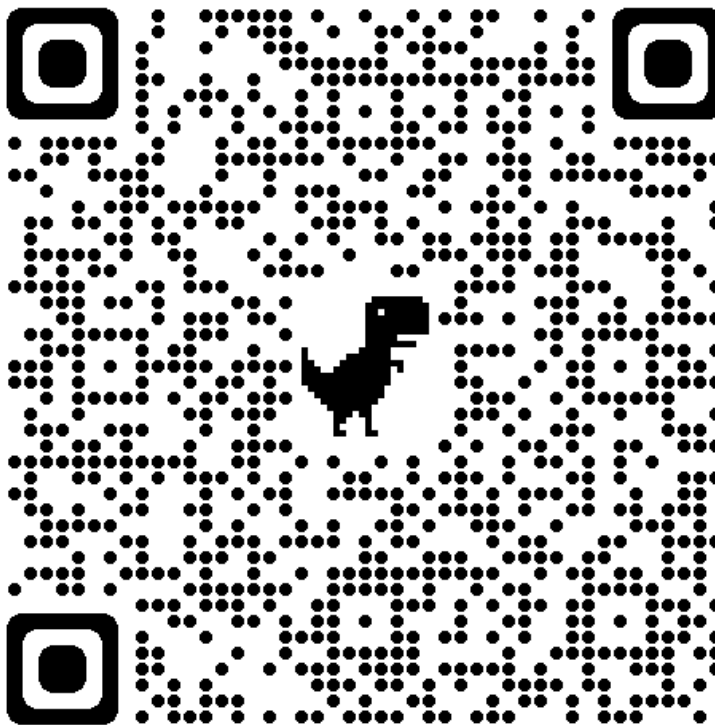

*- Kirklees Council*

# What can we do?

Carbon Literacy for Local Authorities

Biodiversity Net Gain:  
Preparing Parks Professionals
