

**Adrian Selby
Team Manager
West Lindsey District
Council**

West Lindsey

- One of largest and sparsest Districts in East Midlands
- Near Lincoln
- 448 square miles
- 1437kms of highway to clean
- Around £11 per household this year
- Self-badged Entrepreneurial Council

Street Cleansing

- Seven day working for street cleansing services
- Four on-four off shifts for mechanical roadsweeping
- Getting more from your expensive vehicles and equipment
- Providing seven day cover, reducing overtime and achieve better value for money

Our journey-then

Our Journey-then

Our Journey-then

- Poor service
- Low morale
- De-motivated workforce
- Poor levels of training and safety
- Poor quality vehicles, equipment and PPE

Our journey-now

Our journey-now

STREET CLEANSING REVIEW

Enhance the environment of West Lindsey by providing a street scene that is free from detritus, litter, graffiti and fly tipping such that residents show a high overall satisfaction when compared with other similar authorities.

Seven day working

Four on-four off

Four on-four off

- Planning permission
- Disposal arrangements
- O licence restrictions
- Maintenance and tyres
- Supervision
- Reputation

Maximum value from resources

- Seven day working
- Income generation
 - Roadsweeping
 - Weedkilling
 - Other income
- Parish litterpickers
- Parish Champions

Parish litterpickers

- Shared resource with Parish Council
- Do the work when its needed

Parish Champions

- Eyes and ears
- Valuable information
- Great in times of crisis

Finally...
