

**APSE Roads and Street Lighting Advisory Group Meeting – Friday 11 February 2022
10.30 AM to 12.00PM – Online via MS TEAMS**

Welcome: Cllr Frank Anderson, West Lothian Council

Agenda

Ash dieback: How big is the issue?

Speaker: *Clarinda Burrell, Tree Health Policy Implementation Officer, Scottish Forestry and Jon Stokes, Director of Trees, Science and Research, Tree Council*

This will provide an opportunity to hear about this issue in more detail before discussing current progress and any challenges being experienced

Registration of works for Roads purposes: Question and Answer with the Scottish Road Works Commissioner

Speaker: *Kevin Hamilton, Scottish Road Works Commissioner*

This will provide all attendees with the opportunity to continue the discussion from the last meeting (Scottish Road Works Register: What is your process?) with the Commissioner answering questions and providing clarification of his opinions in relation to this topic

SFT and Transport Scotland's Electric Vehicle Charging Infrastructure report: update and next steps

Speaker: *Matt Jackson, Net Zero Transport Manager, Scottish Futures Trust*

This will provide all with the opportunity to hear more about the [report](#) and the next steps in relation to this important area

Roads and Street Lighting clinic: Any issue affecting service delivery including:

- *Has any authority received any complaints regarding hazardous dark patches after replacing just a lantern with an LED light, without rearranging the columns?*

Group discussion

This provides an opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue

APSE Update

Speaker: *Louise Melville, Principal Advisor, APSE*

About the meeting

The meeting will be held via MS TEAMS and you should already have received a link to join on the day.

Any PowerPoint slides and useful links highlighted on the day will be made available to participants after the event.
