

APSE Roads and Street Lighting Advisory Group Meeting – Friday 29 July 2022 10.30 AM to 12.00PM

Welcome from our Chair

Agenda

Climate Change and the importance of street lighting services

Speaker: Lisa Chiles, on behalf of Institute of Lighting Professionals – Scotland Centre

This will provide an opportunity for colleagues to hear and discuss the importance of street lighting services as part of the Climate Change agenda

Challenges facing our roads and street lighting services in relation to recruitment and retention - revisiting our previous discussion focused on considering more generic/ multi task roles

Speaker: Group Discussion

This will provide an opportunity for colleagues to discuss and debate the challenges they face around recruitment and retention and whether more generic/ multi task roles should/ have been considered

Roads and Street Lighting clinic: Any issue affecting service delivery including:

- Maintenance Service Technology
- Outdoor seating – permitted development rights consultation

Speaker: Group discussion

This provides an opportunity for attendees to discuss any challenges and solutions that councils are experiencing and adopting in relation to a particular issue

APSE Update including update on Ash Dieback workshop

Speaker: Garry Lee, Research & Coordination Officer, APSE

About the meeting

Any PowerPoint slides and useful links highlighted on the day will be made available to participants after the event.

This meeting will close at 12 noon.
