What we did

- Where did the idea come from?
- What were the aims?
- Did we achieve those aims?
- Partners, who were they and how did they help the project?

APSE CENTRAL REGION EVENT

A black dog, possibly a Labrador Retriever, is lying on a concrete floor. The dog is wearing a bright yellow high-visibility vest with reflective silver stripes. The dog's head is resting on the floor, and it is looking directly at the camera with a calm expression. The background is slightly out of focus, showing some equipment and a person's legs in the distance.
