# Better Management of the Realm and Waste Resources

APSE National Event, Derry

Charlie Devine  
Head of Resource Management

[zerowastescotland.org.uk](http://zerowastescotland.org.uk)  
@zerowastescot

## Themes and goals

## What's Coming up?

- **Scotland's National Litter Strategy**
- **The Circular Economy Interface**
- **The Household Recycling Charter**

# Reducing Litter and Flytipping

National Litter Strategy

## The Key Focal Points

- Code of Practice on Litter and Refuse
- Community Based Interventions
- Stakeholder Support

## Code of Practice on Litter and Refuse

- CoPLAR 2016
  - Focus on prevention
  - Transparency
  - Time for change
- Monitoring
  - Better data
- Strategy review
  - Mid point review

# Community Based Interventions

- **Support for the Clean Up Scotland Campaign**
- **Incentivised Prevention**
- **VCAP & Zero Waste Towns**

## Stakeholder Support

- Knowledge Hub
- Contextual Messaging
- Flytipping Prevention
- Education
- Improving Enforcement

**“The prevention focus is intended to increase flexibility and mitigate against unsustainable expenditure.”**

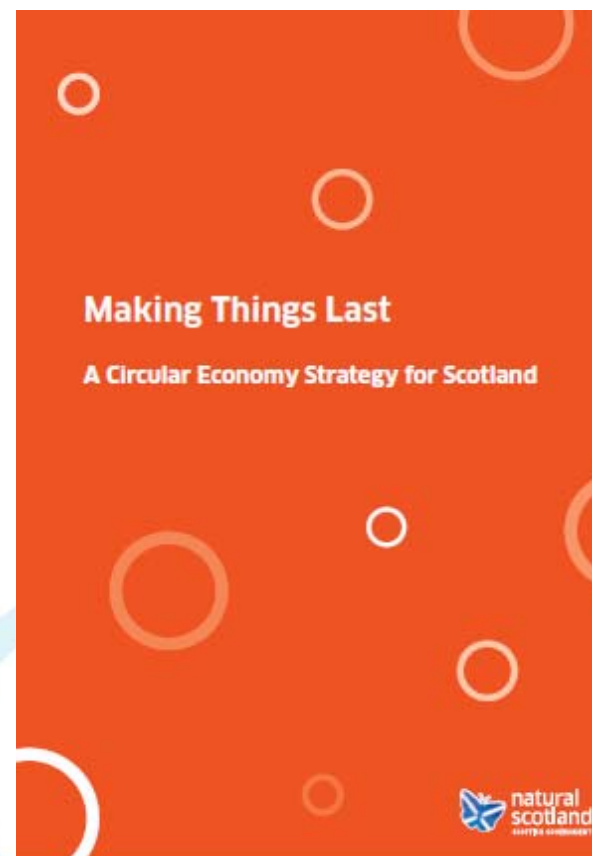

# The Circular Economy & The Household Recycling Charter

## Policy into Action

- **Underpinning duties of the Waste Scotland 2012 Regulations**
- **Pushing for the highest possible environmental outcomes**
- **Realising the value of materials**
- **Bringing recycling into the Circular Economy model**

# The Household Recycling Charter

- **Cross organisation support**
- **Introducing a more consistent approach**
- **Agreed by COSLA Leaders on 27<sup>th</sup> November 2015**
- **4 main chapters**
  - **Design; Policies; Operations; Communication**

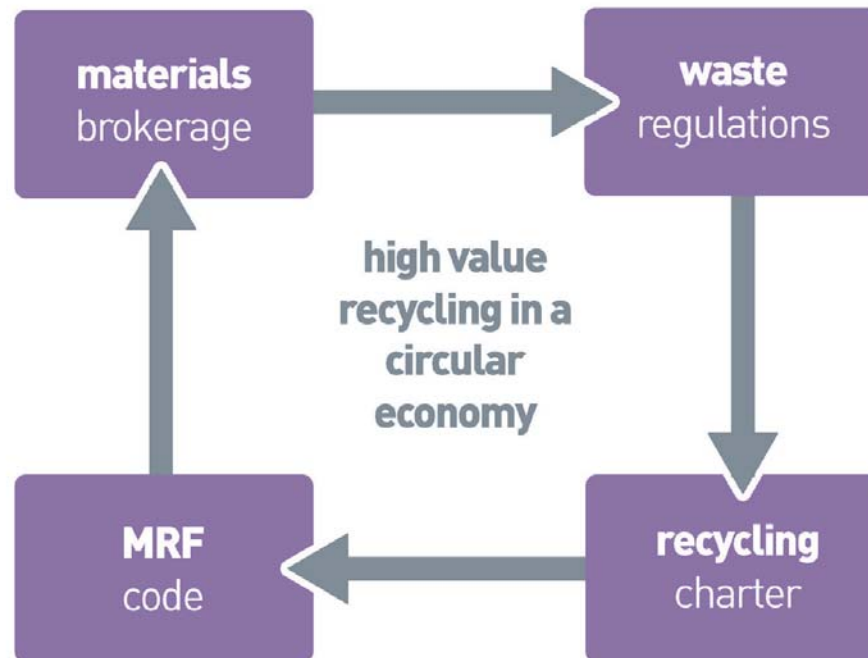

## The Ambition

- **Increase householder participation in recycling**
- **Improve the quality of recyclate**
- **Reduce costs for local authority collections.**
- **Reduce risks from commodity markets through increased security.**
- **Create attractive conditions for investment.**
- **Create and retain more jobs in Scotland.**

# The New Approach

**Thank you.**
