

Communicating practical messages on climate action to encourage citizens and business to change behaviours

Charlotte Banks
Energy Research and Project Officer
APSE Energy

Focusing your Target

- Wording
- Council's own emissions, district emissions
- Clarification statement
- Education – Carbon Literacy
- Leadership

- Political will
- Partnerships
- Energy focus
- Behaviour change
- Strategy & action plan – wider than the Council

APSE Energy

Consultancy Support

- Has your council declared a climate emergency?
- Do you have a plan to address it?
- Do you have the staff, capacity and expertise to put your plan into action?

APSE Energy was established to help inform and support local authorities in exactly this kind of situation

Climate Emergency Handout

- This handout outlines the help that APSE Energy can provide to local authorities around the climate emergency agenda

APSE Energy Publications

APSE Energy members free electronic and hard copies

apse energy

Local Authority Climate Emergency Declarations

Strategic and practical considerations for climate emergency declarations, targets and action plans

YES energy solutions

How ECO3 funding can benefit local authorities

A simple guide to the Government's ECO scheme for energy saving home improvements

What help do you need?

- Something to share today? Good practice?
- What are you doing around the agenda?
- What barriers have you come across that we can help with?
- Any further comments?

THANK YOU
