Margaret McClure Visited today to see the new water fountains. It was great watching the little ones playing in the water. Looks beautiful. x

Lisa Spanton Carmody Had a great day out in the shops and on the markets and found some bargains while the hubby treated himself to a hair cut and shave. Fantastic atmosphere and felt really proud to see much achieved. It's great nice to see hard work paid off by stockton borough council and every one else who put in lots of hard work.
