

Consultation on Nutritional requirements for Food and Drink in Schools

Themes of consultation

- **Increase fruit and vegetable provision**
- **Reduce sugar in school food and drink**
- **Set a limit for red meat and processed red meat**
- **Amend secondary school food and drink provision across the school day**

Implications

- **Potential to have a negative impact on the uptake of school meals**
- **Lack of level playing field for school versus high street/ snack vans**
- **Are there plans to regulate the high street/ snack vans from providing meals that don't meet the nutritional criteria**
- **Potential increase in food waste**
- **Would there be accompanying funding for the increased access to fruit and vegetables?**
- **Achieving energy levels (from nutritional, cost & appeal perspective)**
