

Our five point journey to the stars

David Coventry
Section Manager Street Scene & Parks

London Borough of Enfield

- Population 300,000
- Area 31.7 square miles
- 122,000 households
- 300 Front line staff
- Budget £17 million
- 51 refuse vehicles

Background

- April 2011, Council achieved the award of five stars following British Safety Council audit.
- October 2011, Council Awarded - Sword of Honour for being 'best of the best' in managing health and safety.
- Seeking 5 star accreditation in November 2014 for all front line services

Introduction and background

Our vision is that; ‘All employees and all those affected by our undertaking are kept safe and healthy’.

Everyone from the Chief Executive downwards will work to be a health and safety role model, and they will work towards ensuring all those affected by our undertaking are kept safe and healthy.

It requires us to enable employees to take **ownership of issues and manage themselves.**

Our five point journey to the stars

- ❖ Safety Organisation
