

APSE 2021

Overview of the Cleaning Service;

The COVID-19 secure cleaning regime;

Overcoming the challenges & looking forward

Overview of the Cleaning Service

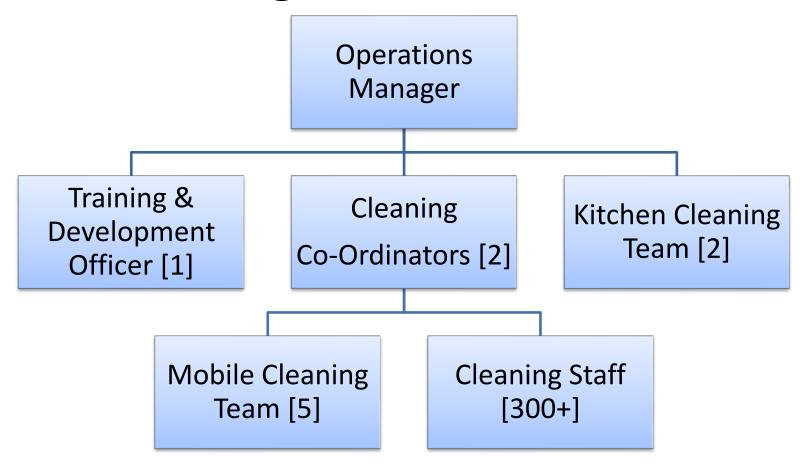

The Cleaning Service sits under the umbrella of the Education, Leisure & Lifelong Learning Directorate.

Employing 300+ staff over 70 sites providing cleaning services to Primary, Special & All-Through Schools within the county borough.

Neath Port Talbot covers 442km² cut by four valleys;

Cleaning Service Structure

Overview of the Cleaning Service

Qualified & experienced staff -

- Cleaning Co-Ordinators electrical repairs & PAT testing
- Training & Development Officer
- Mobile Cleaning Team
- Kitchen Cleaning Team

Before COVID

- Bespoke training package developed in 2006 following the e.coli outbreak & the subsequent investigation by Prof Hugh Pennnington the Welsh Government published 'Teach Germs a Lesson – dealing with infection control for Primary & Secondary Schools'
- Mobile team
- Colour coding of areas within schools

Many schools remained open for vulnerable learners & children of critical workers.

Current training package seen as a good base on which to develop the new procedures & guidelines.

Over 1,100 school based teaching & non-teaching staff were trained

Welsh Government Working Group – Operational Guidelines for Cleaning During COVID

Ozone Decontamination Project

Development of a two stage COVID-19 cleaning procedure

School based staff & cleaning staff are all trained in infection control to ensure a consistent approach in delivery of the two-stage COVID-19 regime

Teaching staff supporting the cleaning process

Two-stage process

Stage 1 – clean

School based staff wiping down surfaces frequently with SCREEN disinfectant followed by school based Cleaning Staff undertaking normal cleaning duties with usual chemicals.

Stage 2 – clean

Deep clean instigated following someone showing signs or confirmed case of COVID-19.

 Additional training given to the mobile cleaning team

• To identify and train staff in remote areas to be available 24/7 should the need arise.

 Additional COVID-19 procedures were developed and issued to staff.

Social distancing

- colour coded areas;
- additional vehicles;
- Sourcing & delivery of appropriate PPE from local suppliers as opposed to those on procurement list
- Additional sourcing of 45,000 masks for secondary school children
- Higher levels of staff shortages due to staff isolating / shielding
- Deep cleaning of our 'Immbulance'

Immbulance

www.npt.gov.uk

- Norovirus outbreak in one of our special schools
- Flooding in a the same school kitchen https://youtu.be/ptW YmMNA14

- Legal requirement to ensure equipment regularly maintained & PAT completed
- Deep cleaning of kitchens continued throughout the pandemic ensuring compliance with EHO requirements

- T&DO continued to deliver essential refresher training to Education Catering & Cleaning Staff
- Additional essential training delivered to 70+ Facilities Cleaning Staff [Env. Directorate]
- Safer recruitment continued throughout

Becoming more environmentally friendly

Moving towards more environmentally friendly working practices.

- Moving from diesel to electric vehicles
- Electric points
- Nordic symbol chemicals

Looking forward

- Continuing to provide support & advice to our schools including those under construction & those planned as part of our 21st Century Schools Programme.
- To be consistent in cleaning standards across education buildings ensuring a safe environment to support the wellbeing of children and young people.

Looking Forward

- To generate income by offering training to businesses & organisations in the community
- To become part of the NPT Skills Academy delivered by NPT College

Looking forward

- To further strengthen the bonds of collaboration, working with others – including the voluntary, statutory and private sectors to benefit our citizens and communities.
- One Council approach.

Any questions?
