

**WORK BASED TRAINING  
FOR YOUNG PEOPLE**

**North Tyneside Council**

Steve Lowther  
North Tyneside Council  
Housing, Property and Construction

## The Background and Origins

- Unique Partnership agreement between North Tyneside Council and Justice Prince CIC
- Created in 2013 as a direct response to a collective community request
- 10 month Youth Training Programme
- Targets vulnerable 16-18 year old NEETs

**North Tyneside Council**

## Aims and Aspirations

- Improve the life chances of the young people
- Challenge the damaging effects of unemployment, poverty and inequality
- Engage trainees positively in the community leading to safer communities
- Create a culture of social responsibility

**North Tyneside Council**

## Opportunities

- To work, train and in majority of cases gain their first recognised qualification
- Contribute to their community
- Changing lives
- Apprentice Interviews and progression into employment

**North Tyneside Council**

## Where next?

- Further investment in young people and their communities
- Mayor's vision for the programme to grow
- Additional qualifications
- More employment opportunities

**North Tyneside Council**
