

European cemeteries as  
cultural and historical assets of  
exceptional importance.

# MORTAL REMAINS

The History and Present State of the  
Victorian and Edwardian Cemetery

Chris Brooks

Correct conservation is dependant on correct understanding of the sites heritage.

ASCE, together with the National Federation of Cemetery Friends, provides the possibility of sharing best practice with other cemeteries facing similar heritage problems.

How we started

Why we started

# Governing principles

- To encourage experience and best practice
- To work together on common projects
- To awaken the national and European institutions on the importance of cemeteries in the European heritage
- To encourage the attention of the universities
- To promote the necessary legal innovations
- To draw attention to the media and tourist publishing
- To use new technologies more and better
