Review Process

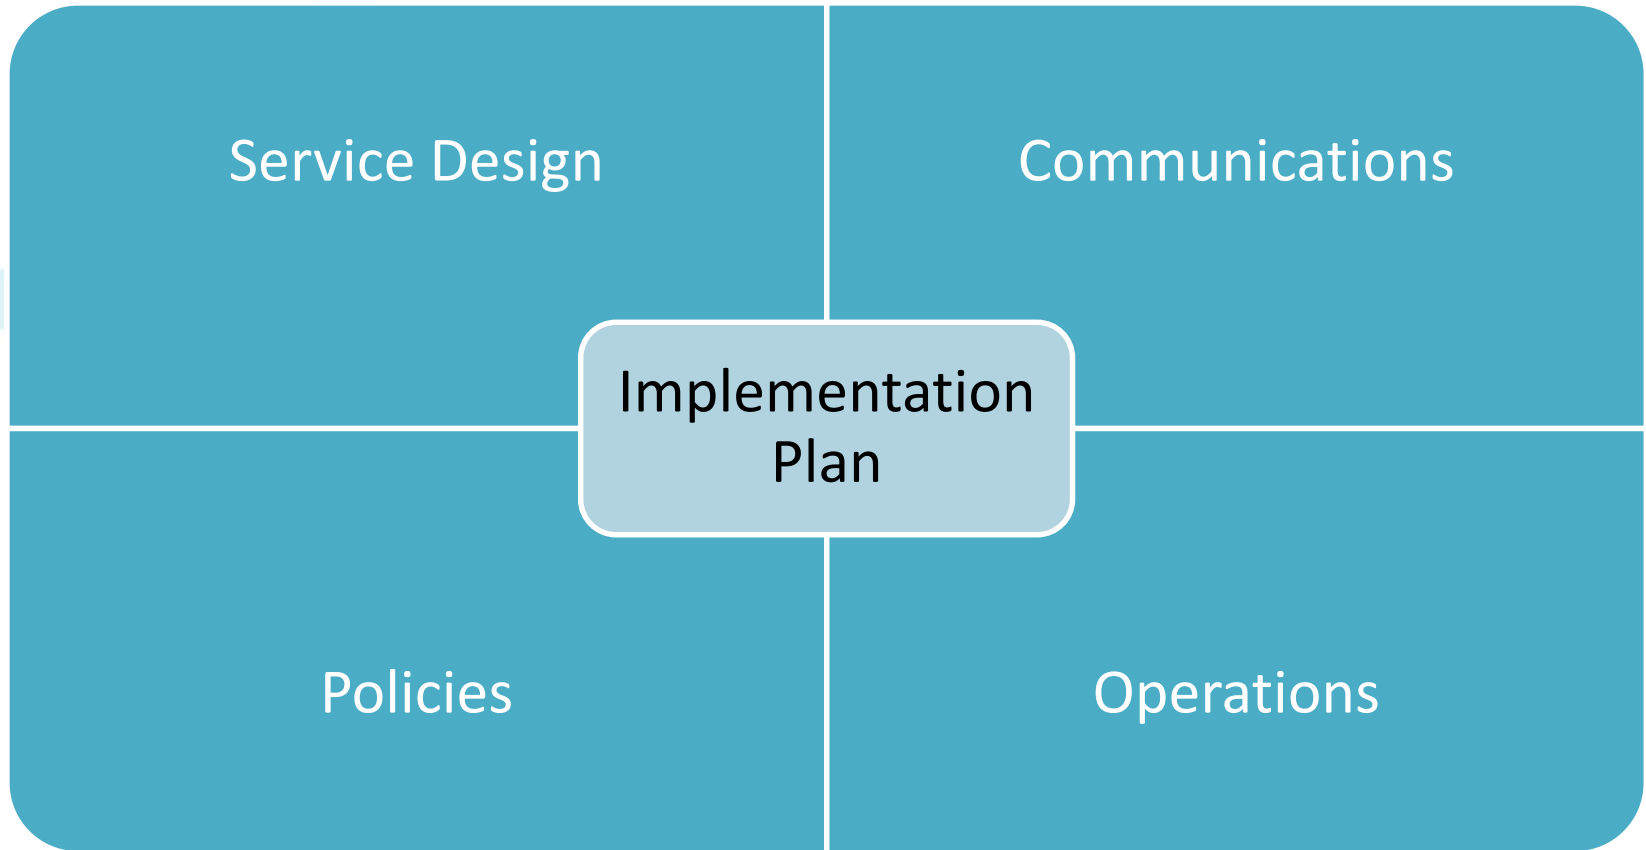

Why?

- Programme for Government
- Living document and adapt to evolving policy

How?

- Advisory Group – consisting of representatives from Local Authorities, Scottish Government, CoSLA and Zero Waste Scotland
- Purpose – provide operational insight and experience of issues to contribute to the review and revision of the Code of Practice
- Meetings – every two months

Objectives

Progress

In progress

- Document layout and style
- Outcomes/criteria
- Policies
- Operations

To review

- Communications
- Service Design
- Implementation Plan

Next Steps

- Re-establish Advisory Group Meetings
- Service Design review
- Communications review
- Assessment of implementation plan
