# **Savings**

#### **Leisure Services Costs and Projections**

2009 2012 2014 2017 2019 2022 2025 2028

Year

## Savings achieved by....

- Modern facilities strategically located (£28m recent investment).
- Further £26million capital investment agreed.
- Further £2-3million on capital replacement.
- Income growth.
- Inefficiency / duplication removed.
- VAT efficient model

#### **Uncommitted in contract:**

- Develop business cases for £50million investment into National Centre's
- £5m energy efficiency measures

### **Enhanced benefits – within contract**

# **Enhanced benefits from contracting**

- Transfer of risk to an operating partner.
- Improved customer experience
- Improved data capture and insight.
- Working to organisational strengths national expertise and local knowledge
- Removal of duplication and inefficiency
- Retention of responsibility for strategy and flexibility in future arrangements.

# The Manchester Sport & Leisure Model

## **Challenges and lessons learnt**

- Size and complexity of contract.
- Three arrangements into one
- Decreasing revenue budget
- Undertaking four fundamental pieces of work to deliver change programme:
  - Strategic review
  - New Sport and Physical Activity strategy
  - Leisure Contract
  - Development of Manchester Active
- Allow more time would have influenced procurement route / method
