Beond win **Finance Business of The Year 2019**

On Friday 8th February 2019 West London Business held their Annual Awards presentation ceremony and gala dinner for over 400 guests at the world's largest rugby union venue Twickenham Stadium.

The awards are established as a key milestone in the annual calendar of the UK's second largest business economy. Twenty-nine awards showcase business excellence in West London around five themes:

Sector leadership, Sustainable & responsible business, Economic growth, Corporate Leadership and Individual Leadership.

The Finance Business of the Year award aims to recognise organisations that deliver real value in helping other organisations manage their costs. The nominees all showed evidence of significant customer delight along with tangible examples of innovation and creativity in solving customer problems.

Judges

"Beond bring a very innovative approach to assisting clients improve their financial and environmental performance. Their strong strategic planning, with a clear focus on growth within a sound financial plan, has led to very healthy performance. Staff development is also given due priority."
