

- 66 cemeteries
- Whole county connected
- Historical group
- Internship

- 11 cemeteries 1 crematorium
- Mapping
- Data migration from existing system
- Streamlined finance
- Connectivity

- Woodland - pods
- Paper records causing confusion
- Lots of maps, lots of numbering systems
- Couldn't sell plots
- Inventory management & communication

"I believe we are made of history, but also that we should take a step forward by connecting it to the present and the future, and we can do that through technology."
