WELCOME
TO ANOTHER WAY
OF SEEING FOOD
Passion, integrity
and teamwork

Passion, integrity and teamwork underpins everything that we do

At Taylor Shaw, we honestly do see food differently. We are a specialist to the Education market with over 20 years experience of providing great food to primary schools, secondary schools and colleges.

With our extensive knowledge of the needs and preferences of students we are making some dramatic changes to the way food is provided and served in schools - carefully tailoring our offers to every need, providing bespoke, creative concepts as well as the latest high street brands.

Our focus is fresh and we carefully select our ingredients and source them as locally as possible to provide truly varied and exciting menus that all of our diners really enjoy.

But our real difference is that we want to be **more than just your caterer**. To us, a successful partnership is one where we are not just the provider of great food but one where we are an integral and valued support to the whole school.

Take a moment to explore our site to learn more about our philosophy, our dining rooms, our menus and how not all contract caterers are the same.

Taylor Shaw... more than just your caterer

Dear Headteacher,

Opting out of the North Tyneside Schools Catering Contract

As you are aware the majority of school meals in North Tyneside are supplied through the local authority catering contract.

However, there is an alternative to the local authority school meals contract; you can choose to independently appoint a school meals caterer or go in house with your school meals but receive management services from a school catering company. We supply both options to schools around the county. With a contract term of only one year with a terms notice thereafter lengthy tendering exercises are avoidable and the you are able to choose what catering is provided in your school.

Dolce is an established family firm specialising in schools services nationally. We are not owned or run by shareholders and have high standards in our procurement, nutritional standards and delivery of our lunchtime service.

As a multi-award winning school meals caterer we provide:

A choice of 2 menus: **Traditional** (3 hot main courses with 3 puddings) or **Choice** (2 hot mains

As a multi-award winning school meals caterer we provide:

- A choice of 2 menus: **Traditional** (3 hot main courses with 3 puddings) or **Choice** (2 hot mains with jacket potato option and 3 puddings)
- Each menu has 3 or more main and pudding options, all cooked from fresh ingredients
- Live Kitchen: our multi-award winning pre-order and cashless system. No more registers!
- Full cash and Direct Debit collection and debt management, freeing up valuable office time
- TUPE of staff with full training, monitoring and regular kitchen inspections
- Assistance and consultation with kitchen upkeep including procurement and procedure
- All for a parent friendly meal price of £2.10; there is no charge to the school
