

ROY WINTERS

Creating Healthier Environments

WHAT IS THE PROBLEM?

And why did Safer Space start up in 2018?

BIG PICTURE

**ANTIBIOTICS/VACCINES
ARE FAILING/NOT
WORKING/NOT
AVAILABLE**

- EVERY SURFACE WE TOUCH EVERYWHERE IS COVERED IN BACTERIA/VIRUSES
- THIS IS NOT JUST COVID-19 RELATED - ITS MUCH BIGGER THAN THAT
- REMEMBER 'CLEAN ISN'T NECESSARILY SAFE'

BIG IMPACT

**2018 30.7 MILLION
DAYS (UK) BEING
LOST AT WORK**

BIG CHANGES

**THE PUBLIC ARE
DEMANDING NOT
JUST CLEANER
BUT SAFER
ENVIRONMENTS**

BIG CHALLENGES

**MANY SURFACES
ARE TOO
DIFFICULT TO GET
TO / OR REMAIN
UNSEEN**

**SO WHATEVER
WE DO MUST
BREAK THE
CYCLE OF
AVOIDABLE
INFECTION OR
REINFECTION**

WHATEVER IT IS, MUST BE...

1 SIMPLE TO IMPLEMENT

2 EFFECTIVE IN OPERATION

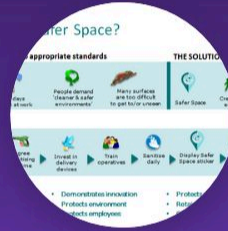

3 MADE VISIBLE TO ALL

THE SOLUTION

Safer Space (R)
Accreditation

**CREATES
HEALTHIER
ENVIRONMENTS**

**SIMPLE
INDEPENDENT
PROCESSES**

**DEMONSTRATES
YOU CARE**

BY EMPLOYING REVOLUTIONARY APPLICATION TECHNOLOGY COMBINED WITH NEW INNOVATIVE SOLUTIONS AND REGIMES WE CAN REDUCE WHOLLY AVOIDABLE CROSS INFECTIONS AT SOURCE THAT CURRENTLY REQUIRE ANTIBIOTIC PRESCRIPTIONS AND/OR EXPENSIVE AND DISTRESSING INTERVENTIONS TO TREAT AFTER THE EVENT...

PREVENTION IS BETTER THAN CURE

WHAT IS THE ACCREDITATION PROCESS?

- PLUS RANDOM SAMPLING/TESTING
- ALL STEPS HAVE BEEN CHALLENGED BY AN ADVISORY BOARD MADE UP OF LEADING FIGURES FROM THE CLEANING, SCIENTIFIC, AND PANDEMIC COMMUNITY.

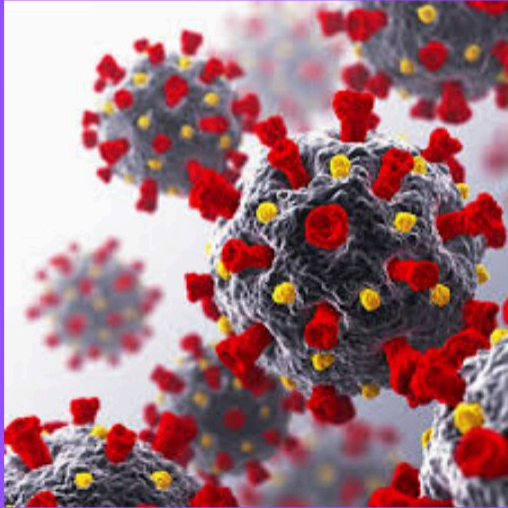

WHY WORLD LEADING ELECTROSTATIC SPRAYING?

Turbo  **Statics**
A Revolution in Spraying Science
[For more info click here](#)

- WRAPS AROUND ALL SURFACES
- EFFECTIVE
- EFFICIENT
- ENSURES DWELL TIME
- SANITISES BY SPRAYING AND WALKING AWAY

WHAT IS A WORLD CLASS SANITISING CHEMICAL?

- **MUST MEET EN STANDARD**

EN 14476 (virucidal)

EN1276 or EN13697 (bacteria)

- **MUST HAVE A PERSISTENT KILL**

- **MUST WORK ON ALL SURFACES**

- **EXAMPLES**

TECcare

Steri-7

Nordic Chem

BE CAREFUL

BEWARE OF
CORONAVIRUS
SCAMS

- LOTS OF MISINFORMATION ON SPRAYERS/CHEMICALS/PROCESSES
- CLAIMS THAT CAN REMOVE COVID-19
- SELF CERTIFICATION
- EVERYONE HAS BECOME AN EXPERT
- MISREPRESENTATION OF STATISTICS AND/OR FACTS

WHY SHOULD YOUR SPACE BECOME A SAFER SPACE?

Breaks cycle of infection

Demonstrates innovation

Protects your staff

Protects your visitors

Independent

CSR headline focus - Moral and legal duty

**SHOWS YOU CARE - NOW AND INTO
THE FUTURE**

CREATING
HEALTHIER
ENVIRONMENTS

Thank You

FRONTLINERS

ADOPTING SAFER SPACE REDUCES THE BURDEN
