

# Simon Hollingbery

Chairman, British Cleaning Council

**The Voice of the Cleaning Industry**

[www.britishcleaningcouncil.org](http://www.britishcleaningcouncil.org)

# Overview of the UK cleaning industry

British Cleaning Council - private perspective of the market, both here and in Europe

Local authority outlook in a changing work environment

Opportunities and expectations for cleaning

# What is the British Cleaning Council?

## The Cleaning Show

The BCC gets most of its funding from the Cleaning Show

BCC arranges seminars & keynote presentations

2016 saw first ever regional cleaning show in Manchester

Next show 14-16 March 2017, Excel, London

# Project Funding

British Toilet Association used BCC funds to help set up a toilet map app

BTA collaborated with Mencap & Changing Places

enter starting & end point

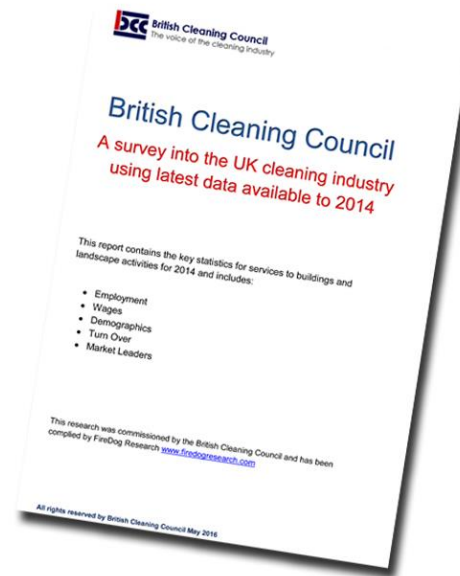

shows all public toilets on route & those with special facilities

## BCC Survey

- turnover in 2014 was £3.6 trillion
- 49% of turnover was from combined facilities activities
- big reliance on migrant labour

## BCC's relationship with Europe

UK's only representative on the [European Federation of Cleaning Industries](#) board

# The Future

The outlook for local authority cleaning services

The outlook for private sector service

## BCC Board Members View

Stan Atkins - CEO of BICSc

Doug Cooke - CEO Principle Cleaning

Mark Woodhead - Managing Director,  
Selden Research. Largest manufacturer  
of own label cleaning chemicals in UK

**Finally...**

...47 days to go!

Thank you for listening
