Delegates are free to look around the National Motorcycle Museum at the rise of the seminar

Seminar objectives

We have a new Government and local authorities are once again braced for a further budget squeeze.

To ensure well run in-house fleet and maintenance services stay ahead of the game, this seminar brings together the elements that influence future success.

Speakers will cover the national picture, the regulatory context, legal issues and strategies for maintaining efficient operations.

The seminar will also take a look at innovation, the likely greening of vehicles and also the options to save money and create new external business opportunities through leasing All this in the iconic setting of the National Motorcycle museum of which free entry is part of the package

Who should attend?

- Service Directors
- Transport and Fleet Managers
- Policy and Performance Officers
- Procurement and Finance Officers
- Transport Policy Officers
- Sustainability and Environmental Officers
- Trade Union Representatives
- Management Consultants
- Contractors and Suppliers
- Police, Fire and Rescue Transport Managers
