# Support Requirements Identified

- Training – online, ongoing, infield, alt. comms
- Guidance to support CoPLAR
- Training templates/briefings/pres – contact centres, staff, managers, Members
- Communications toolkit – press releases, website copy, FAQs, public info
- Evaluation templates
- Best Practice examples
- Guidance on use of legislation in practice
- Monitoring training
- Partnership Working and support

# Why?

# Why are these a priority?

# Should these be the focus for prevention activity?

# Is there anything missing?

# Thank you.
