West Lindsey District
Council

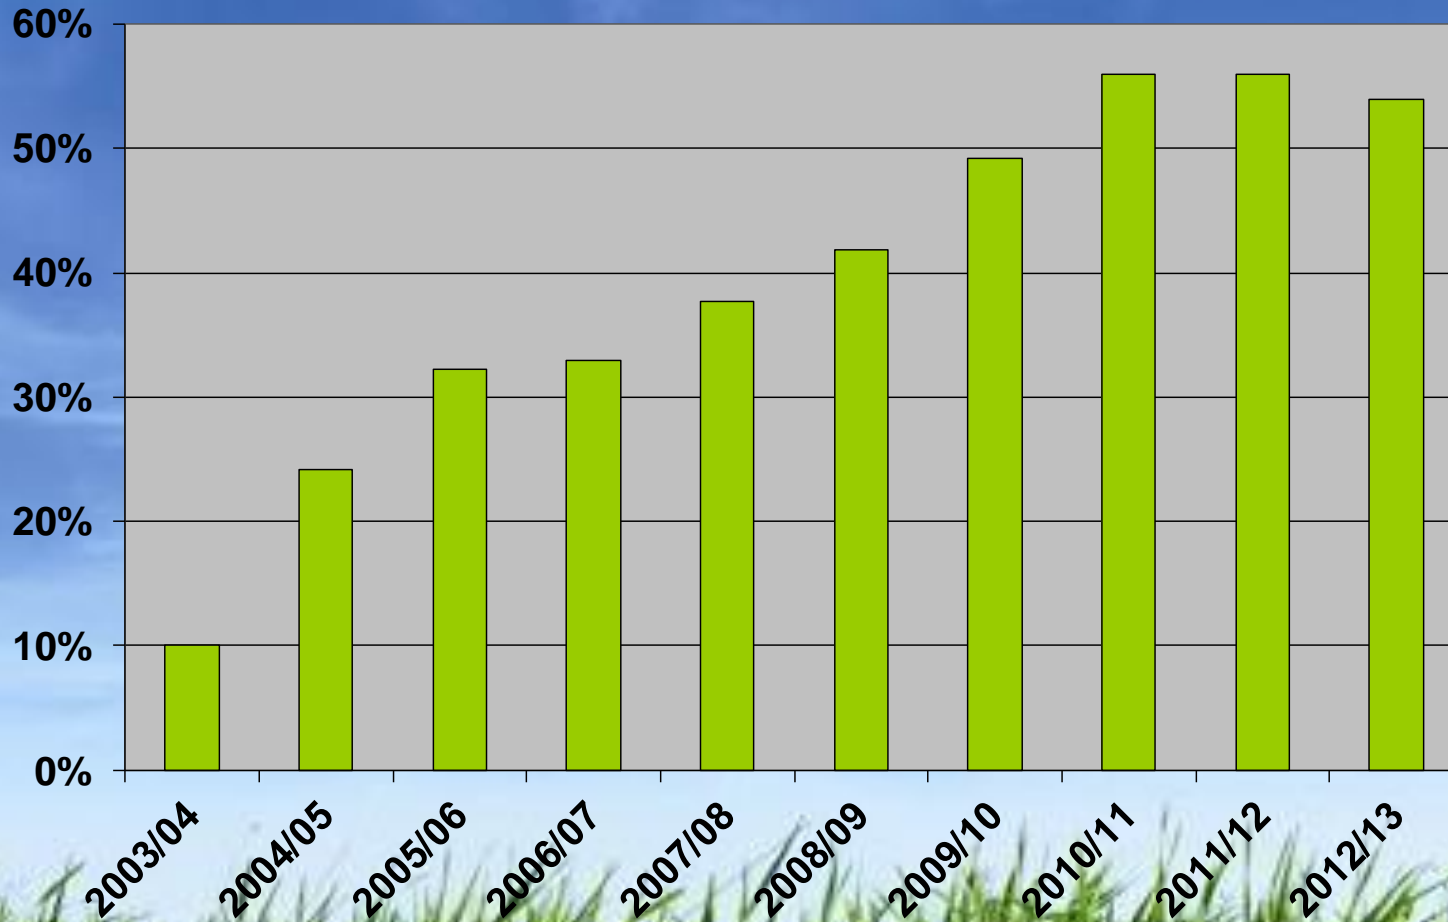

West Lindsey

- Rural Lincolnshire
- Waste Collection Authority
- Entrepreneurial Council
- 54% recycling rate 2012/13
- 94% Satisfaction
- APSE Best Performer 2012&13

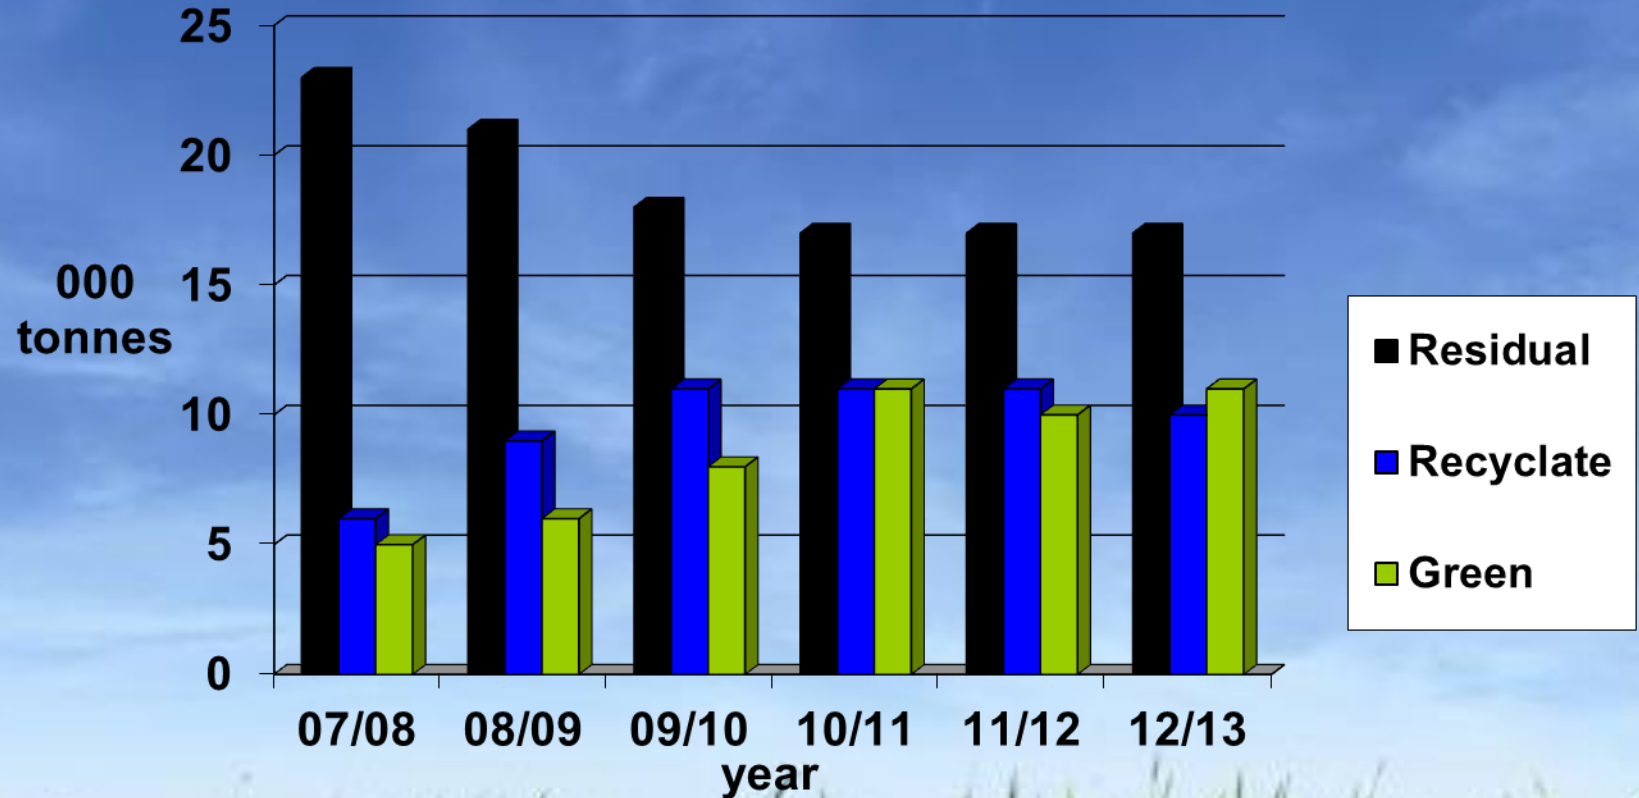

Our Journey

- 2004 Wheeled bins introduced
- 2009 Triple Bin and AWC introduced
- 2010+2012 Round redesign
- 2012 Suspension of winter green

How we achieved 54% recycling!

Recycling Performance

The Triple Bin Scheme

Health and Safety

Health and Safety

Health and Safety

- Driver and banksman training
- Comprehensive induction
- Less agency staff
- Accident and incident investigations
- Crew monitoring
- County H&S Forum

Future of Waste?

- An energy from waste plant has been built in North Hykeham, near Lincoln
- Now fully operational
- It will take much, if not all of West Lindsey's waste

Future for West Lindsey

- Joint Municipal Waste Strategy
- TEEP

EFFICIENCY SAVINGS

- Charge for green
- 6/7 day working/double shifting
- Separating valuable streams
- Round redesign
- Trade Waste
