

# challenges in Winter Service delivery 2018 onwards

Richard Hayes CEng FIHE  
DMS

Chief Executive IHE

# Issues to be raised

- revised code of practice
- Revenue funding crisis
- Skills and succession planning
- Role across a wider remit

# Revised code of practice

- Effective from this October
- Risk based approach
- Review of policy essential
- Litigants waiting in the wings

# Revenue funding crisis

- Revenue down substantially
- Finance officers challenging budgets
- Lack of contingency
- Insurance sector concerns
- Increased public awareness and scrutiny

# Code of Practice changes

- Risk based approach
- Competence standards
- Resilience
- Emerging technologies

# Wider responsibilities

- Part of civil emergency process
- Exercise potential situations
- Awareness of duty
- Involve senior staff and members

# What should be done?

- Review of 2018 essential
- Resilience levels
- Policy review
- Evidence crucial
- NWSRG review of App H
